WHERE WILL WE TAKE YOU NEXT?

Crystal Serenity begins 2027 in style by hosting our World Cruise. Departing San Diego, we set our course due south to explore the western reaches of Central and South America before the azure waters of the Pacific lure us out to embrace the pure shores of the South Sea Islands. Restless for adventure, we head to New Zealand and Australia, then meander through sultry Indonesia to our westernmost point, Singapore and Thailand. We curve around to examine three pearls of the east, China, South Korea and Japan, before crossing continents once more to the awesome wilds of Alaska and our final port, the mighty Canadian city of Vancouver.

Crystal Symphony will also explore Central and South America before drifting through the turquoise waters of the Caribbean and crossing the Atlantic to see Europe and the Mediterranean in the spring sunshine.
